**RE: Sudbury Community Legal Clinic Services during COVID-19**

I am writing to advise that the Sudbury Community Legal Clinic continues to offer **free legal advice by telephone** in your area. We are currently restricting in-person service and are not travelling to your area due to COVID-19 safety measures.

For more information on eligibility for our services in the areas of income maintenance and housing, please visit [sudburylegalclinic.com](http://sudburylegalclinic.com). We do not provide advice in criminal and family law.

To schedule a telephone appointment, please call us at either 705-674-3200 or 1-800-697-8719 between 8:30 a.m. and 12 noon and again from 1:00 p.m. to 4:30 p.m. between Monday and Friday. At the time of the call, we will ask for some basic information to determine if we can assist or if a referral to some other service or agency would be more appropriate.

Thank you for your continued assistance in spreading the word with respect to the Sudbury Community Legal Clinic's services.

Yours truly,

Christianne Rodrigues
