

Greetings residents of St-Charles,

My name is Joshua Lachance. I am 29 years of age, married and the father of one beautiful little girl. I was born and raised in the municipality of St-Charles, have owned a property here since 2016 and my family and I are in the process of building our dream home just on the outskirts of town. Growing up I attended and graduated elementary school at École St-Charles Borromée, participated in local summer camps, youth activities and played many local organized sports, most importantly served as a goaltender for the St- Charles Turbos for over 10 years. I am a licensed 309A (construction and maintenance electrician), have been a proud member of the International Brotherhood of Electrical Workers L.U. 1687 since 2014 and have been a next-gen delegate for IBEW 1687 since 2016. I am known to be a kind, big hearted, outspoken, helpful, determined and generous person. I am passionate about this town and the people who live, work, camp, vacation and visit here and this is why I feel I would be a great voice for you, a strong voice for us as councillor. Hope to see you all out and about throughout and after this campaign and best of luck to all of the other candidates and most importantly please take the time to get out to the poles and vote!

Best regards,

Joshua Lachance
